

29 October 1960

Dr. Alfred C. Neal, President
Committee for Economic Development
711 Fifth Avenue
New York 22, New York

Dear Al:

Thank you for your letter setting forth the details of your meeting on November 17 and what you want from me on that occasion.

I am flattered to be asked to participate and am already racking up some thoughts for the occasion.

I am sure that I shall have no difficulty in editing my remarks into a form that will be suitable for appearance in the Saturday Review of Literature.

Sincerely,

25X1A
